Day 5 – Stone Age Boy by Sitoshi Kitamura
An amazing thing once happened to me. I was wondering in the woods when I tripped and found myself falling down, down, down. When I woke up, I was in a cold, dark place. I could see daylight in the distance and I stumbled towards it. Outside, everything was different. I realised I was lost. Completely lost. So I walked and walked and walked.....

Then, to my relief, I saw someone – a girl. She was about my age, but she didn’t look like any of the girls I knew.
Where do you think the boy has woken up?

• Draw what you think the mysterious girl might have looked like if she lived in Stone Age times. Label her clothing and what you think it might be made of and any tools she might have with her.
